Body of abstract in 12 pt Times. Single space. Aligned both sides (double justification). No line spacing between paragraphs. (Microsoft Word automatically adds a little space for aesthetics – auto line spacing.) Indent paragraphs using four spaces.

References and notes should be denoted by numbers in square brackets [4–6] and listed below the body text. The whole document should have a paper size of ‘A4’ which will be reduced for printing in the book of abstracts. Paper margins are 2 cm top, bottom left and right. Place figures and tables in the body text centred on page.

Note that the abstract should be written in the English language.
