

SCIENTIFIC WORKSHOPS TEDD 2024

Poster Preparation Guide

- Posters prepared for a Scientific Workshop meeting must be no bigger than 122 cm (48 in, W) x 92 mm (36 in, L). If your poster exceeds these specifications, it may be subject to removal.
- Print and transport your poster to the meeting as onsite printing will not be available.
- The presentation must cover the material as cited in your abstract with the title of your abstract prominently at the top of the poster board to allow for ease of identification.
- The poster will be displayed during the conference with dedicated poster and networking sessions.
- The posters will be displayed in a location that will be accessible to all workshop participants and a limited number of event staff.
 - It is the responsibility of the presenter/author to ensure that consent has been obtained from the company/organization prior to displaying the poster.
